## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Isabella, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Isabella, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Isabella, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Isabella, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

### ***Your Life Path is 17/8***

Isabella, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Isabella, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Isabella, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

## BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### ***Your Birthday is 5***

You love change, travel and adventure. You are a bit of a rolling stone. You have enormous curiosity and yearn to see far-off places and meet exotic peoples. Your arena is the world itself, and it is just a matter of time before you are off once again on another excursion.

You are highly-adaptable and need excitement. Isabella, you relate well to others and have an easy way with words. In fact, you have a talent for promotion, public relations, and, for some, writing. Your social skills are highly refined. Your ability to communicate and promote a product or event makes you a natural salesperson.

You work well with others as long as there are not too many restrictions. You have trouble being bound to a desk or within an office. You can easily feel cooped up and trapped unless there is much variety and change in your life. You become bored and restless easily.

You may be a little irresponsible and need to learn discipline and orderliness.

You have a quick and analytical mind. You may be over- confident and headstrong. However, you are highly creative and can usually come up with a remarkably workable solution to most problems -- either your own or those of

others.

You can be impatient and impulsive. You can also overindulge your senses in food, alcohol, sex, and drugs. You must be careful to protect your health from the excesses of your tastes.

## EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Your Expression is 18/9***

Isabella, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Isabella, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Isabella, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

## **MINOR EXPRESSION**

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

### ***Your Minor Expression is 12/3***

Isabella, your short name increases your capacity to enjoy life. It boosts your optimism, cheerfulness, good taste, and an interest in sports.

You communicate more easily and your sense of humor is enhanced. You are inspiring company, often motivating and uplifting others.

Your artistic ability -- especially your facility with words -- is increased.

The three is a happy-go-lucky number, which, on the negative side, can make you avoid difficulties and try to find the easy way out of challenges.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 24/6***

Isabella, your attention is directed to helping and caring for those you love. You

are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Isabella, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Isabella, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

## **MINOR HEART'S DESIRE**

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

### ***Your Minor Heart's Desire is 18/9***

The shortened version of your name broadens your outlook on life. It makes you more compassionate, socially oriented, and concerned for the welfare of humanity.

Isabella, your Minor Heart's Desire increases your idealism, and capacity for self-sacrifice toward a higher goal.

You want to make a difference in life.

You may be more likely to hold yourself aloof and thereby making it harder to find the personal love you need.

Your appreciation for the arts is increased, and any artistic talent you may have is enhanced. You may want to become more of a teacher, and are attracted to knowledge that will further this ambition.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 21/3***

Isabella, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a

fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Isabella, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

## MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

### ***Your Maturity is 17/8***

As you mature, Isabella, you will grow in success and financial reward. You will find yourself deepening your commitment to your work. You will find it easier to overcome difficulties that manifest in your path. Your capacity to use power will grow; you will be recognized as a pillar of influence and dependability within

your community.

You will have to be strong and self-disciplined to avoid sudden painful material losses. Beware of ego-inflation, the surest symptom of an imminent fall.

The 8 Maturity Number requires a certain degree of detachment from material success; otherwise it will rule your personality, and make money an obsession. Detachment allows you to remain focused on the higher values of mankind. One of your important motivations should be a desire to build, create, or market in order to enjoy the game of business.

Isabella, your wisdom and sheer common sense are recognized by many and will attract important positions. It is possible that you will be given responsibility for the care and management of other people's property. You may also be asked to guide large institutions.

If you already have several 8s in your chart, especially in the core numbers, you will have to guard against selfishness, accumulation for the sake of status, and greed. If you have few 8s in your chart, or none at all, your opportunity to achieve the success and financial independence is greatly increased.

## **L/E BRIDGE**

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

### ***Your Life Path / Expression Bridge number is 1***

Isabella, you should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings. You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional, or try so hard to behave according to the expectations of others.

## **H/P BRIDGE**

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire -

Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

### ***Your Heart's Desire / Personality Bridge number is 3***

Loosen up a bit. Have some fun; recharge your batteries. Be more generous to yourself. Communicate your deeper feelings without fear to those close to you. Be more creative, particularly in the areas of dancing, writing, acting, or poetry. Develop faith in yourself.

## **KARMIC LESSONS**

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

### ***You have a Karmic Lesson 4***

Isabella, you feel confusion about your life's direction. You will have to establish a methodical and disciplined approach. You need to create a foundation for your life. Otherwise, you will feel lost and tossed about by change.

You have trouble finding the work you do best. You tend to be somewhat impractical and disorganized. You look for the answers to life's problems outside yourself, rather than within. New jobs start off as The Answer, but do not have the same glamour for long. You quickly discover that the new work requires the

same effort and perseverance, without the excitement you expected, which may cause you to give up too soon.

Concentration and application need to be strengthened.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### ***You have a Karmic Lesson 7***

Isabella, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### ***You have a Karmic Lesson 8***

Isabella, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

## **HIDDEN PASSION**

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

### ***Your Hidden Passion is 1***

Isabella, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Isabella, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

## **PLANES OF EXPRESSION**

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

## **PLANE OF EXPRESSION PHYSICAL**

### ***Your Plane of Expression Physical is 6***

Isabella, you combine practicality and artistry. Many successful artists are found with this number on the Physical Plane.

Teaching and healing come natural to you. Your appreciation of beauty and art is visible in your surroundings.

You are an excellent marriage partner. Parenthood is very satisfying for you as is the simple act of service to anyone you come in contact with.

You are a loving and emotional person. Also, you are very curious about the lives of others. This can get you into trouble, however, especially if you confuse service with interference.

You are idealistic and imaginative.

## **PLANE OF EXPRESSION MENTAL**

### ***Your Plane of Expression Mental is 9***

Isabella, your thinking goes naturally to large scale endeavors. You are concerned about the general well-being of society, and have a long range perspective.

You are highly compassionate but somewhat impersonal in your relationships with others. It takes a long time for people to get to know you intimately. At the same time, you give your energy unselfishly to worthy causes and earn the respect of people for your commitment.

You are romantic and possess a touch of the dramatic. You are likely attracted to public service, or the theater, either as a benefactor, actor, or writer.

You have a broad view of humanity and can deal effectively with people from all walks of life. You have little if any prejudice.

## **PLANE OF EXPRESSION EMOTIONAL**

### ***Your Plane of Expression Emotional is 30/3***

Isabella, you are very romantic. You are highly creative and imaginative.

You fantasize about your perfect "other": a White Knight on a horse, or a beautiful princess. Your response to painful emotional situations -- especially in

childhood -- was to create a fantasy world to which you escaped. You may still be doing that as an adult, perhaps to your detriment. Reality lacks the romance and excitement of your fantasies.

Isabella, you can be disorderly and disorganized, however. You can be rather moody.

You likely have much artistic talent, especially in writing, acting, or singing.

## **BALANCE**

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

### ***Your Balance is 2***

Use tact and diplomacy, Isabella. Be less emotional. Be courageous in your approach to the solution you seek, rather than backing away from problem because you fear confrontation. Work hard to diffuse tension; your innate talent is to find a mutually satisfying solution to all. You are willing to compromise.

Be more optimistic and lighthearted. Isabella, try not to blow problems out of proportion. You are overly sensitive and have to work to be more balanced.

Balance and harmony are there for you the minute you apply yourself to any problem. Isabella, you can be the peacemaker.

## **RATIONAL THOUGHT**

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

### ***Your Rational Thought is 30/3***

Isabella, you are creative, but your thoughts tend to be scattered. You jump around inside your head without much focus. You come up with solutions that reveal an illogical approach, yet they often work.

As it applies to you, rational thinking is a contradiction in terminus. You project, interpret, and analyze your projects and problems in a manner that often leaves others flabbergasted. However, you are unbeatable when it comes to shining new and original light on issues; often coming up with unique answers.

You have this Rational Thought number in common with a number of famous and original thinkers -- and the key-word here is original -- throughout history.

## **CORNERSTONE**

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

### ***Your Cornerstone is I***

Isabella, you are emotional, considerate and understanding. You are artistic and have good taste. Without balance and steadfastness, there can be nervous tension and accident proneness. Isabella, you have to try not to switch from one extreme to another; look for balance.

## **SUBCONSCIOUS SELF**

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

### ***Your Subconscious Self is 6***

You like to help others, sometimes to the extent that you do not pay enough attention to your own needs. Isabella, you are primarily concerned with your home and your family. Everything else comes second. You radiate love and genuine concern for others. During times of distress you turn to your family and friends. You are responsible and willing to sacrifice for others.

## **CHALLENGES**

Each of us is born with both strengths and weaknesses. Numerology looks at

life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

### THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

#### ***Your First Challenge is 1***

You must learn to be independent. Isabella, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Isabella, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

### THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

### ***Your Second Challenge is 3***

Isabella, you are your own worst critic. You suppress your individuality and creativity. Each time you want to make an impression, you doubt yourself beforehand, and criticize yourself ruthlessly afterward. Your criticism of yourself is far more severe than anyone else's.

As a result, you tend to play it safe by staying on the surface, indulging in superficialities. You rarely express what goes on deep inside of you; instead, you cover up your feelings with humor or perfunctory remarks.

You often feel alone and lonely.

Isabella, your fear of social interaction causes you to strain conversation by making too many jokes and forced joviality.

It may help you to find a creative outlet for your imagination, possibly through writing, painting, singing or dance.

At the bottom of the challenge is an effort to bring out your true self. You will learn to truly value your own creative talents above anyone else's judgments. This must be viewed as a process of individuation, in which you become a whole human being, independent and free of the need to conform to others.

### **THIRD CHALLENGE**

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

### ***Your Third Challenge is 2***

Isabella, you are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil.

Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

Isabella, you lack the inner strength to maintain your own center, and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner turmoil of others and can do much good for people with emotional problems.

#### THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

##### ***Your Fourth Challenge is 4***

You tend to be disorderly and disorganized. Isabella, you are impractical and tend to fantasize about projects or possibilities that have little value or future.

You must learn to discriminate between iron balloons and those that will fly.

You have difficulty finishing projects because your vision becomes chaotic and loses tract of the path ahead.

You have to learn to be aware of the details. Keep your environment clean and orderly. Be efficient.

You have the ability to be practical and organized but you must learn their value. This will cause you to incorporate them into your daily life and give you the basis for success.

This is the challenge of building a lasting foundation for your life. Isabella, you will need perseverance and repeated effort. Get-rich-quick schemes will likely backfire; persistent effort is the key to your future happiness.

#### PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Isabella, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

### ***Your First Pinnacle (from birth until age 28) is 9***

Isabella, this is a period in which you must identify with some larger project or goal that is bigger than you. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community.

As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom, but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world.

Interestingly, you are not restricted by prejudice or boundaries of class or

country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching.

In short, you are highly idealistic. Isabella, you will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

### ***Your Second Pinnacle (from age 29 until age 37) is 4***

This is a Pinnacle of hard work and many rewards. Isabella, you have the opportunity to build a foundation that will last. Your abilities as an organizer, manager, or simply the rock of any institution are greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced.

As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Isabella, your sense of your own limits and the consuming nature of details may at times seem overwhelming.

You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster, or happen with greater ease.

The need for efficiency, orderliness, and methodical systems limit your creativity.

Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

### ***Your Third Pinnacle (from age 38 until age 46) is 4***

(This Pinnacle is the same as the Second, as described above.)

### ***Your Fourth Pinnacle (from age 47) is 3***

This is a highly creative period. Isabella, your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward.

This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature.

You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past.

All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts.

Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

## **CYCLES**

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

### ***Your First Cycle (from birth until age 28) is 4***

A time of hard work and all the rewards it can bring. This is a period in which you are concerned chiefly with the practical things of life: work and career, sound family and a solid community. Isabella, you are not given to flights of fancy or idealism, but want to place your life on sound financial footing. You can be overly concerned with details and thus can find yourself in ruts that will have to be broken free of. Find work you love and do it to your heart's content, but do not neglect the rest of your humanity, or that of others close to you. This is a time requiring discipline, order, and self-motivation. Work is the order of the day. But through these characteristics, you will be seen as the foundation of your family, job, and even community.

***Your Second Cycle (from age 29 until age 55) is 5***

A period of rapid progress and much change. Isabella, you are learning the lesson of freedom. You will travel, move your residence many times, and change jobs. You are footloose. It is a time when you will be free of the burdens of responsibility. You will have a flair for successfully promoting yourself. Your abilities with words will be greatly enhanced. Isabella, you can learn foreign languages, write, and edit. You will meet many exciting people, visit foreign lands, and encounter many new ideas. Identify yourself with all that is progressive and farsighted in your field. Seek change and take hold of new opportunities.

***Your Third and last Cycle (from age 56) is 8***

You are under an extremely benevolent period for work, career, and financial reward. The key is hard work and the willingness to again dedicate yourself after setbacks or difficulties. Isabella, you will have greatly enhanced abilities as a manager, organizer, and financial planner. You have a gift for seeing the broad picture and carrying out bold plans. You can gain financial freedom during this period. Business and career activities go well, but require much attention and commitment. You are being pushed to take control of your career or enterprise and bring it to new heights. It is a time when power falls to you, but must be used wisely and with purpose.

## **TRANSITS**

The Transits are the individual letters of your name that combine to form the Essence, which is the number that reveals a great deal about your year ahead. Your name can be seen as a piece of music that vibrates in time. Each note, or letter, has a specific duration and influence over the course of your life. Isabella, your life, therefore, can be seen as a musical score, with the individual letters

making specific contributions at given points, just as notes in a musical piece are played at specific points to give a piece of music its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

## THE PHYSICAL TRANSIT

### ***Your Physical Transit for age 23 is L***

This is not a time to hurry. Isabella, you want to carefully and thoroughly consider your path, plans, and future. ## ESSENCE

The Essence Number and the Personal Year Number are the two essential indicators of the forces that will influence your life during the course of any year. While the Personal Year runs from January to January, the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for the year 1988, you would begin to feel the influence of that 8 most powerfully after your 1988 birthday. The influence would begin to wane during 1989 and would finally end at your birthday of 1989.

The Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year, that is, which types of behavior will be supported by your milieu, and which ones will be less effective.

### ***Your Essence at the age of 23 is 21/3***

Isabella, your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent.

This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity.

Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities.

If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now.

Isabella, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

### ***Your Essence at the age of 24 is 11/2***

This is a time of enormous sensitivity and equally enormous change. Your intuition is galvanized. You are capable of even psychic experiences. But your awareness of the higher realms serves to throw a light upon all that is low and unenlightened in your own life. The contrast can be shocking.

Isabella, you are all-too aware of your shortcomings as a human being. This can drive you more deeply inward. You are extremely self-conscious. There may be feelings of failure and self-recrimination. These must be kept under control.

All of this stems from an element of shock present in your life. The very ground upon which your personality is based seems to have experienced an upheaval. This psychic quake can often be replicated by some event in your life. Consequently, your identity is shaken.

It is a time to search within you. Are you happy with what you are doing? Is your work directly in line with your higher values and talents? This is a period of self-review in which you will have a great opportunity to set your life upon a more deeply spiritual and lasting foundation.

Consequently, you can make much progress and experience a great deal of future happiness as a result of this period. There is a realignment occurring that is putting you in touch with your deeper nature. The inner and the outer are now becoming one. It is a period of quickened psychological and spiritual growth.

Your intuition now will guide you safely from the storm. While your emotional life may be turbulent, your intuition gives you a sense that you are on the right track. In fact, you have not lost direction, but taken a quantum leap along your path. It can be a bit jarring, but altogether positive.

Meditate, pray, seek out harmonious settings, take walks in the woods, and be close to nature. Let the inner self guide you to a greater happiness.

There can be many wonderful inner and even psychic experiences that reassure you of the love and support coming to you from the universe itself. It is a time of illumination on all levels. Make the most of it. Allow the higher forces to guide your rapid growth.

### ***Your Essence at the age of 25 is 23/5***

This is an important time of progress and advancement along the lines of your

talents. Isabella, you will experience a relief from burden and increased personal freedom. Any talent you possess in writing, public relations, and the arts will be greatly enhanced. At the same time, business matters flow quickly and new opportunities for expansion seem to arise out of nowhere.

People are attracted to you and seek to help you achieve your goals. You possess an almost magical ability to promote yourself. Your fluency with words is greatly increased. You are more charming and attractive, which opens many new doors.

This is a period of travel and much learning. Opportunities to visit distant lands, encounter foreign cultures and peoples, and learn about life will come to you. Your personal growth will speed up considerably.

As such, many old habits and outdated methods will fade from your life. It is as if you are being catapulted from the old and outworn, into a new and fast-paced period of personal growth and development.

Isabella, your desire to satisfy your senses will also increase dramatically. You must be careful not to overindulge in food, alcohol, sex, and even drugs.

Sudden events and chance occurrences will come your way. You must be alert to your opportunities. This is not a period of sitting back and waiting, but a time to move ahead rapidly.

Your challenge is to remain focused on your more long term goals. Be disciplined in your work. Don't have too many irons in the fire. Sort out the important projects and endeavors and see them through from start to finish. Focus, discipline, and completion are the keys to your success.

## All about Your Birth Card

### The Three of Spades Person

#### The Artist Card

Three of Spades have the opportunity for great success in their life if they are willing to work for it. They have a heavier load than most, indicated by their position in the Saturn line. But if they work hard, they will receive the blessing of being in the Jupiter column. Their Six of Diamonds Karma Card tells us that there is a karmic debt to pay on a financial or 'value' basis. Often they are associated with Six of Diamonds people, who are the collectors of these debts.

The Three of Spade can represent indecision about work or health and the Three of Spade people should watch their health carefully. The more they worry about their health, often the worse their condition gets ,so they have a responsibility to watch their thoughts and feelings as they relate to health matters. With such a strong, creative urge, they can also spread themselves too thin and get stressed out at times.

Having the Queen of Spades with the Ten of Diamonds in Jupiter gives them the opportunity for great business success through mastery of their inner values. This can be one of their best avenues for satisfaction in life. If they just get clear about what is most important to them in their life, everything they need and want will come to them.

Being a three brings a huge amount of creativity and this can also bring the temptation to tell half-truths or stories to make their lives easier. This is especially true because of their Jack of Diamonds Karma Card. They can easily tell stories that are believed by others and never run out of marketable ideas. However, with the Jack of Clubs in their Saturn position, they will always meet with some disappointment or problems if they stray from strict honesty. Only the path of highest integrity and the willingness to put forth an honest work effort will bring them the success they want. Among them are some of the most successful artists in the world.

#### Some of the Three of Spades Issues Concerning Relationships

The Three of Spade is a highly creative and romantic person and needs a partner with whom they may share these interests with. There are hurdles in love based upon inner fears of abandonment or rejection that must be dealt with, but overall they have good marriage potential. They need an outlet for their creativity and extramarital affairs are usually the result of not giving themselves a positive creative outlet.

There are often emotional challenges that began in childhood that must be dealt with before the Three of Spades can have a happy married or romantic life. They also need to develop positive mental habits and affirmations about love if they are to overcome some of the challenges in this area. These folks are restless and this may extend to their romantic lives. Add this all together and it could be a challenging combination for partners

## *All about Isabella's Birth Card*

### The Three of Spades Person

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

The Three of Spades is a highly creative individual who usually enjoys their work very much, especially if that work entails some form of self-expression, variety and creativity on their part. They also are gifted promoters and sales people. This is an ideal combination for a successful artist, for example, but they are found in all lines of work.

These people, though of the suit of Spades (work), are also very money-minded. Many are destined for great financial success and they have the capacity to create large enterprises and businesses with success. Their creativity can make them artists or inventors. At the very least they will take what is given them and develop it further and put a new twist on it. They are good at both creating new products and marketing them.

For some, however, the creativity takes a negative role in their life and this should be watched out for. This can result in health problems, usually due to working too much or trying to do too many things at one time. Stress management is something all of them could benefit from.

Most Three of Spades lead a double life, or in some cases a triple life, in some respects. What you know of them may be only half of who they are. This probably will not affect their performance in work and business but it good to know that this is happening. It can explain some of their strange behavior at times.

A few Three of Spades can become mired in worry and uncertainty or become obsessed with their health. Both of these can interfere with their productivity and performance. This is another example of their creativity being expressed in a negative way. The cure for this is just to get back to work in a productive way.

### Some of the Three of Spades Issues Concerning Relationships

Three of Spades are usually very agreeable people. They are not people-oriented, per se, but they can usually get along with others without

problems. They are most interested in what they are doing and creating/accomplishing. People in their life usually come second to that.

## *All about Isabella's Planetary Ruling Card*

### The Five of Diamonds Person

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

This card is all about exchange of value, or money 'changing hands'. They enjoy the buying and selling of things and make great salespeople. This is also supported by the fact that they like their freedom and travel, two things, which most salespeople have as part of their work. This is a person to help promote something, as opposed to doing the routine or boring sort of work around the office or business.

They like their freedom so much that they may not stay with a job for long that appears to take that away from them. Many Five of Diamonds will go from job to job to job. This can be hard for them because they may not ever derive the satisfaction that comes with the full development and expression of a particular line of work. If a Five of Diamonds is working for you, they are there first and foremost for the adventure of it. The promise of something new and exciting is hard for them to resist. They like money and worry about not having enough of it. But in the end it is the adventure of something that motivates them the most.

There are likely to be financial losses in their life and situations where their kind-hearted nature is taken advantage of by others. They should strive to keep money and personal relationships separate if possible as this is where the majority of their losses show up in their lives.

### Some of the Five of Diamonds Issues Concerning Relationships

These people are restless and changeable - often averse to commitment and for these reasons, many of them have difficulty in making a personal relationship work for an extended time period. They are attracted to those of wit and creativity and they themselves can be quite charming. But they are

usually very agreeable and likable on the job and they make the effort to relate to everyone on their level - the mark of a great salesperson.

## NUMEROLOGY

**BIRTH NAME**  
**ISABELLA RAE TORRES**

**NUMBERS 32 & 5**

This compound number has the same magical power to sway the masses as the 14 and the same help from people in high positions as the 23. Add this to the natural ability to charm others, the quality of magnetic speech, and its clear why 32 is sometimes known (by modernizing the symbolism of the ancients) as “the politician’s vibration”. The complexities of advertising, writing, publishing, radio and television are usually an open book to the 32 person, who tends to work well under pressure. 32 is a very fortunate number if the person it represents holds inflexibly to his or her own opinions and judgement in both artistic and intangible matters. If not, the plans are liable to be wrecked due to the stupidity and stubbornness of others. Key word: Determination!

The number 5 vibrates to the planet Mercury. It represents communication, movement, and versatility. It is the number of the intellect and both written and oral expression. 5 people possess a great deal of natural charm, and as a general rule, are innately courteous. They are quick to spot mistakes and flaws, and will not hesitate to point them out. The 5 vibration is super critical and incapable of ignoring mistakes, and is associated with a love of movement and travel. Change is a never-ending necessity for 5 people. They have a tendency to over analyze people and situations. It is difficult for the 5 person to submit to the feelings and the intuition; the intellect is determined to find logical answers to everything! This over analytical nature can ruin relationships of all kinds for the 5 person. Still, people enjoy being in the company of a 5 person, since the outward persona is usually pleasant and soothing. Because 5 is the vibration of the intellect, those under its influence are very bright, highly intelligent and mentally alert. Nothing escapes their notice, analysis and possibly their criticism. According to the ancients, the number 5 has long been associated with what is called “earth magic” (hence, the Wiccan symbol of the pentagram). The number 5 brings a longing to believe in magic, elves, fairies, and the mysteries of Nature, along with the need to pin everything down and view it with a mental microscope. This is in direct conflict with the other major quality of the 5, making it difficult for the 5 person to understand themselves. As a result 5 people are often high strung; they live their lives on nerves and crave excitement. They’re quick in thought and decision, often impulsive in their actions. They have a keen sense of new ideas and inventions, are willing to take risks, and are born speculators. 5 people possess an admirable elasticity of viewpoint, and the ability to rebound swiftly from the blows of fate, which seem to leave no lasting impression on them. 5 people are well suited to writing, advertising, public relations and publishing.

**BIRTH DATE**  
**APRIL 5, 1997**

## **NUMBER 8**

The number 8 vibrates to the planet Saturn. It represents wisdom, learning through experience, stability, patience, and responsibility. 8 is also the number of financial security, caution, restriction, self discipline, and self control. 8 people are normally quiet, reserved, and shy. They don't obviously push ahead, but slowly and surely will get there. This shyness and reticence is a cover for an intense drive to get to the top of their chosen profession. They make excellent teachers and counselors, most of them could be successful in the tough game of politics, as they excel at anything that requires patience and intelligent deduction. The 8 person may have poor health as a child, but tend to grow more robust when they reach maturity, and longevity is common. It is rare to find an 8 person goofing off, they have a sense of duty and responsibility that won't allow them to take a careless attitude toward what is expected of them. Most people born under the number 8 are as reliable as a grandfather clock, and as cozy as a grandma quilt to be around. They have a rich sense of humor, but it is subtle, so one must watch for it. Most 8 people have very deep and intense natures and great inner strength. There is a tendency toward fanaticism in religion, and they will stick by what they believe, against all opposition. They make loving friends, but bitter enemies. Although 8 people appear to be cold they can be shyly affectionate and warmly devoted. They are often lonely and need desperately to be loved, and are capable of great sacrifice for an ideal, ambition, or for those who depend on them. 8 people are as demanding of themselves as they are of others, but for all the outward attitude of wisdom, maturity and self control the 8 person's heart is lonely and longing. They need to learn that pursuit of happiness is not a sin.

The background of the entire image is a photograph of a sunset or sunrise over a calm body of water. The sky is filled with warm, orange, and red hues. A bright, glowing light, possibly a street lamp or a reflection, is visible on the right edge of the frame.

PERSONAL ATONEMENTS  
PAST LIFE, CURRENT LIFE: SUN & MOON

NAME: ISABELLA RAE TORRES  
BORN: APRIL 5, 1997

# PAST LIFE ATONEMENT: VIRGO

IN YOUR LAST LIFE YOU WERE A PISCES

AS A PISCES YOU WERE CONSTANTLY CONSUMED BY YOUR INNER MOST DREAMS AND FANTASIES. SOMETIMES THIS BLURRED THE LINES BETWEEN RIGHT AND WRONG. ADDICTION TO DRAMA, YOU WERE CONFRONTED WITH NUMEROUS OBSTACLES, BUT COULD NEVER QUITE FIGURE OUT HOW TO RESOLVE THEM. SO YOU DECIDED TO JUST SIT BACK AND LET THINGS HAPPEN. AND WHEN THINGS WENT SOUTH YOU USUALLY RESORTED TO SELF-PITY. CO-DEPENDANT BY NATURE YOUR SENSITIVITY TO PAIN INHIBITED YOU FROM FIGURUING OUT WAYS TO HEAL YOURSELF. IN AN ATTEMPT TO ESCAPE, YOU TURNED TO DRUGS AND ALCOHOL OR ANYTHING THAT ALLOWED YOU TO ESCAPE REALITY. ALTHOUGH YOU APPEARED AS THOUGH YOU TRULY WANTED TO HELP OTHERS, YOUR TRUE INTEREST WAS MAKING YOURSELF LOOK GOOD. ARTISTIC, YOU HAD THE POTENTIAL TO BE A WELL KNOWN ARTIST, AND YOU LOVED NOTHING MORE THAN RECEIVING GRATITUDE FOR YOUR GOOD DEEDS OF THE DAY. AS YOU ATONE IT IS TIME TO BE MORE REALISTIC, AND NOT SO SENSITIVE TO THE WORLD AROUND YOU. TRY TO MAKE SURE YOUR FOUNDATION IS BASED ON LOGIC AND REASON MORE SO THAN EMOTION, ESPECIALLY WHEN IT COMES TO MAKING IMPORTANT DECISIONS. LEARN TO BE MORE SELF-DISCIPLINED, AND LESS CO-DEPENDENT. LEARN TO BE ACCOUNTABLE FOR THINGS THAT HAPPEN AROUND YOU, TAKE MORE RESPONSIBILITY. OBLIGATE YOURSELF. SPEAK YOUR TRUTH WITH LOVE, NOT FEAR, AND CREATE THINGS THAT ARE SOLID, TANGIBLE AND REAL. INNER PEACE CAN BE DISCOVERED WITH YOU LEARN TO LET GO OF YOUR EMOTIONS, FOCUS ON SOLID VALUES AND SEE THINGS THROUGH TO THE VERY END. LIVE IN THE MOMENT, AND KEEP A CLOSE EYE ON YOUR EXPECTATIONS. THIS MAY ONLY LEAD TO DISAPPOINTMENT AND MORE SELF-PITY. SEIZE THE DAY. FACE OBSTACLES HEAD ON. NO ESCAPING REALITY. YOU CAN DO IT!

## CURRENT LIFETIME

SUN IN ARIES, MOON IN PISCES

THE COMBINATION OF YOUR SUN AND MOON SIGNS PRODUCES A SOMEWHAT INTROVERTED, SELF-ANALYZING, SOUL-SEARCHER; NOT AT ALL THE TYPICAL ARIES. THOUGH YOU MAY HAVE GREAT POTENTIAL IN MANY DIRECTIONS, YOU SEEM TO ALWAYS HARBOR DOUBTS AND UNDERESTIMATE YOURSELF. MAKING EVERYDAY DECISIONS CAN, AT TIMES, BE A TRYING EXPERIENCE FOR YOU. STRANGELY, HOWEVER, YOU HAVE A VERY DETERMINED STREAK IN YOUR NATURE, A NEED TO BE INDEPENDENT. YOU TAKE THINGS VERY PERSONALLY, AND IMPRESSIONS THAT COME TO YOU VIA YOUR SENSES LEAVE A VERY INDELIBLE MARK ON YOUR MIND. IT'S HARD FOR YOU TO AVOID BEING VERY MOODY AND WORRYING ENTIRELY TOO MUCH. YOUR NATURAL DEMEANOR DENIES THIS, AS YOU GIVE A GREAT IMPRESSION OF FORCEFULNESS, BUT INTERNALLY YOU ARE TIMID, A LITTLE AFRAID OF THE WORLD, AND EVEN AFRAID AND UNSURE OF YOUR OPINIONS. AGAIN, YOU DON'T LET THE WORLD SEE THE SHY PERSON THAT YOU ARE. YOU DISLIKE BEING IMPOSED UPON AND YOU AREN'T SHY ABOUT LETTING OTHERS KNOW THIS. YOU EXPRESS YOURSELF READILY WITH A FACILE MANNER OF SPEAKING BOLD AS A LION ON THE OUTSIDE, BUT MEEK AS A LAMB UNDERNEATH. YOU HAVE SOME DIFFICULTY CONCENTRATING, SIMPLY BECAUSE YOU'RE A LITTLE TOO MUCH THE DREAMER. YOU'RE NOT A VERY EXECUTIVE PERSON AND YOU AREN'T WELL SUITED FOR BUSINESS; DECISIONS ARE JUST TOO HARD TO MAKE. IT MAY BE BEST NOT TO WORRY ABOUT SUCH MATTERS, AND INSTEAD CONCENTRATE ON MORE CONGENIAL ENDEAVORS SUCH AS ART, MUSIC, OR WRITING, ANY OF WHICH WOULD APPEAL MORE TO YOUR CREATIVE NATURE.

# ATONEMENT: ARIES SUN

NATURALLY, YOU ARE INCLINED TO BEING SO CONFIDENT THAT ALL OF THE FOCUS IS ON YOURSELF, WHICH MAY LEAD TO SEVERAL FAILURES. YOU ARE SELF-INVOLVED YOU SPEND A LOT OF YOUR TIME AND ENERGY FOCUSED SOLELY ON YOUR FAILURES. A HARD WORKER, YOU STRUGGLE WITH ALL YOUR ENERGY TO BUILD ANYTHING SOLID. YOUR AGGRESSION AT TIMES CAN TURN INTO ANGER AND FRUSTRATION, AND YOUR INABILITY TO SEE THE BIG PICTURE USUALLY DESTROYS EVERYTHING YOU'VE WORKED SO HARD TO BUILD. FRUSTRATION MAY BE MET AT EVERY CORNER.

AS YOU ATONE YOU WILL DISCOVER THAT TAKING THE FOCUS OFF YOURSELF AND DEVOTING YOUR TIME TO OTHERS OR SOME SORT OF TEAM EFFORT WILL BRING ABOUT MUCH RELIEF. FOCUSING THE SPOTLIGHT ON OTHERS WILL BRING ABOUT A TRUE SENSE OF BALANCE. AS YOU DO THIS YOU WILL NOTICE THAT YOUR ANGER AND FRUSTRATION WILL SLOWLY SUBSIDE. YOUR INNER PEACE WILL SLOWLY REVEAL ITSELF. AS YOU CONTINUE TO ATONE YOU WILL ALSO DISCOVER THAT ONE OF YOUR MOST CHALLENGING ASPECTS IS GETTING A FIRM HANDLE ON YOUR PRIDE. IN RELATIONSHIPS IT WILL ALWAYS BY BEST TO FOCUS ON "US" INSTEAD OF "ME". IT'S WITHIN THE RHELMs OF RELATIONSHIPS THAT YOU WILL FIND A BRAND NEW PERSPECTIVE AND A COMPLETELY NEW SELF.

# ATONEMENT: PISCES MOON

THE MOON ASPECT OF A PERSON'S CHART REPRESENTS THE LEVEL OF AN INDIVIDUALS ABILITY TO BE SENSITIVE, EMOTIONAL OR CARING. FOR SOME THESE EXPRESSIONS OF LOVE COME VERY EASILY, AND FOR OTHERS NOT SO MUCH.

AN INDIVIDUAL BORN WITH THEIR MOON IN PISCES IS TIED TO EMPATHY AND SENSITIVITY. BECAUSE THE MOON IN GENERAL IS VERY EMPATHIC, RECEPTIVE AND SENSITIVE, PISCES MOON INDIVIDUALS ARE DOUBLY SO. THEY'RE LIKE SPONGES, TAKING ON OTHER PEOPLE'S ISSUES LIKE A REAL CHAMP. THESE INDIVIDUALS ARE VERY HEAVY EMOTIONALLY, AND CAN FALL FURTHER INTO THE DEPTHS IF THEY PARTAKE IN DRUGS, ALCOHOL, OR ANY HEAVY FOODS THAT CREATE PHYSICAL TOXINS. THEY NEED TO DRINK A LOT OF WATER AND SPEND AT LEAST 15 MINUTES ALONE EVERY SINGLE DAY JUST TO UNWIND. THE BEST ENVIRONMENT FOR THEM IS WHERE THE WATER MEETS THE EARTH, WHETHER THAT IS A BEACH, ALONG THE SHORELINE OF A LAKE, RIVER OR STREAM. THIS NATURAL ENVIRONMENT HELPS THEM RELEASE ALL OF THE NEGATIVITY THAT THEY PICK UP ON A DAILY BASIS.

TO ATONE, THESE INDIVIDUALS MUST LEARN TO STAY CLEAR OF THE VICTIM MENTALITY OR SELF-PITY. THEY NEED TO LEARN TO CREATE HEALTHY BOUNDARIES WITH OTHERS AND BE MORE PROACTIVE, THAN REACTIVE. THEY MUST LEARN TO TAKE CONTROL OF THEIR CIRCUMSTANCES AND BE HAPPY.
